ORDER RETURNING UNDOCKETED APPEAL

This application was received electronically at the Board of Patent Appeals and Interferences on April 4, 2008. A review of the application has revealed that the

application is not ready for docketing as an appeal. Accordingly, the application is herewith being returned to the examiner. The matters requiring attention prior to docketing are identified below.

A review of the file indicates that Claim 1 in the appendix of the APPEAL BRIEF filed June 15, 2006 is not consistent as amended in the Amendment filed October 7, 2004. See 37 CFR § 41.37(c)(1)(viii). Correction is required.

A Supplemental Appeal Brief is required for the claims appendix.

Accordingly, it is

**ORDERED** that the application is being electronically returned to the Examiner:

- 1) to hold the Appeal Brief filed June 15, 2006, defective;
- 2) notify appellants to file a Supplemental Appeal Brief with a correct copy of claims for the Claims Appendix;
- 3) consider the Supplemental Appeal Brief and if the Supplemental Appeal Brief is in compliance, issue and mail a Form PTOL-90 acknowledging receipt and consideration of the Supplement Brief; and
- 4) for such further action as may be appropriate.

If there are any questions pertaining to this Order, please contact the Board of Patent Appeals and Interferences at 571-272-9797.
